5	T5-L5	HTML Server Controls Validation Controls
6	T6-L6	Application, Session and Cookies
7	T7-L7	An Introduction to Mobile Applications Tracing, Debugging and Diagnostics
8	L8	Students work on Assignments\Mock Ass\ Source Code
9	L9	Students work on Assignments\Mock Ass\ Source Code
10	EXAM 1	Written
11	EXAM 2	Practical

# Assignments

- ☐ All assignments are required
- ☐ Additional Case Study (hurdle)

# Learning Strategy

- Blended Learning

- Instructor-Led

- Concepts and Reinforcement

- Computer-Based

- Learning everywhere, every time
    - HOW TOs
    - Preparation before class
